

Sound & Colour Healing Workshop

Being You!

Be at one with your Divine Love, Truth and Peace.

Using voice, ancient instruments and colour.

Incorporating the full moon energy to create new ways of being for ourselves.

Allow yourself the time to nurture, caress and align with the essence of your Soul.

For people who wish to:

- Connect with their Ancient Wisdom
 - Tune into their soul, to sing their soul sounds
 - Embrace their Divine heart
 - Create their destiny in a positive and fulfilling way
 - Speak their truth and walk their talk.
-

Align with the energies of the full moon, surrender to all that you are, allow yourself to receive love, peace and grace.

A great way to begin the year!

It is time to be immersed in the gentleness and strength of the sacred Divine Feminine.

Be your authentic true self!

No musical experience required, just a yearning to connect deeper with your heart and soul.

Facilitated by
Christine Morrison
B.Ed A.Mus.A(piano)
